OLD-TIMERS REUNION 2010

28 April 2010

Dear Old-Timer,

On behalf of the Petroleum and Water Department, SGM Shippy and I are pleased to invite you to this year's reunion of fuel, laboratory, and water specialists. Since our last reunion (2008), the Army and Fort Lee have experienced enormous transformation, and how we do business here at PWD reflects that. We've undergone numerous modernization initiatives and training enhancements. Our training base has expanded to include partnerships with our sister services and various DoD agencies.

This year's Old-Timers Reunion Theme: ***"Leveraging the Past to Guide our Future"***

Friday, August 20, 2010

0900-1200	Army Mobility Fuel and Energy Council Meeting (selected personnel)
1030-1320	Registration – PWD, Building 11300
1330-1400	Opening Ceremony
1400-1600	Tour of PWD Training Areas and Facilities
1830-2030	Social (Pay-As-You-Go-Bar) – Regimental Club, Fort Lee (Adults ONLY)

Saturday, August 21, 2010

0900-1200	Free Time – Golf, Museum, tour of Fort Lee's new BRAC facilities
1200-1500	Picnic – PWD, Building 11036 (PWD Multi-purpose/Troop Feeding Facility)

This year's Old-Timers Reunion will implement a tiered pricing model. This model is to assist those participants who have children and wish to include them in the event. Children are welcomed to all of the events, with the exception of the social on Friday evening. It is the responsibility of the parents to ensure their children behave in a manner that does not distract or impact the other participants.

Adult Registration: \$40.00 (this covers the administrative costs, Friday's evening social event, a commemorative gift, and the Saturday picnic).

Children (12-17): \$20.00 (this covers all events except the Friday evening social).

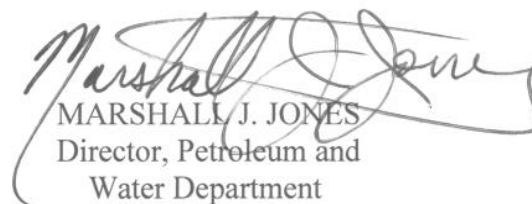

Children (11 and younger): \$10.00 (this covers all events except the Friday evening social and the commemorative gift).

Comments submitted to PWD during the last two "Old-Timer" events indicated a desire to have some of our retired members assist with the planning and execution of the event. To accommodate this request, PWD will establish an "Old-Timers" committee. If you are interested in participating on this committee, please email or call Mr. Conrad Bradley at (804) 734-2794 / conrad.bradley@us.army.mil, no later than 15 May 2010.

It's been two years since our last Petroleum and Water Old-Timers Reunion, so mark your calendar and come fellowship with old friends and enjoy a day of celebrating the accomplishments we have ALL made toward making the Petroleum and Water Department a great Warfighter asset. We have a lot to catch up on! We look forward to seeing you at this year's reunion and thank you for helping to keep our tradition alive. Our point of contact is Mrs. Faye Lynch at Commercial (804) 734-2755 or DSN 687-2755; e-mail faye.lynch@us.army.mil.

Sincerely,

Encl: Registration Form

MARSHALL J. JONES
Director, Petroleum and
Water Department
